Mr. David T. Johnson, Vice President
Advanced Concrete Technology, Inc.
3-D Distributors
1840 North Fernandez Ave.
Arlington Heights, IL 60004

Dear Mr. Johnson:

We are pleased to inform you that your product, "Protecrete" has been placed on the Illinois Department of Transportation's Listing of Approved Bridge Seat Sealers.

You will be required to provide annual certification to the fact that this product has not been changed in any way since its initial acceptance. You will also be required to provide, annually, a current infrared spectrophotometer trace, Material Safety Data Sheet, and a Technical Data Sheet.

If you have any questions, please call Mr. Don Bucci, the Concrete Technology Laboratory Supervisor, at (217) 782-7206.

Very truly yours,

W. E. Chastain Jr.
